Responsibility:	Watts Brian		Priority: Medium
Category:	Organization & Resources - Standards		
Summary:	Stop farting in the office		
Action Item:	<p>To Brian Watts,</p> <p>Please stop farting in the office. This not only affects hour health but is also offencing. If this behaviour is normal where you come from, you should know that you are on international ground and should respect other people health and culture. Being international does not mean impose you culture where ever you go but to respect others culture.</p> <p>In order to close this action, please speak aabout this during monday's morning meeting or drop an e-mail to all engineers you are sharing the office with and CC the wireline FSM. I believe the FSM and the QHSE manager will assist you in understanding the intercultural environment where we all libve and work.</p>
